Try your hand at hand-feeding birds!

On Saturdays & Sundays in January and February from Noon to 3:00 pm you can experience the thrill of hand-feeding wild birds. Volunteers will be available to coach you on attracting chickadees to feed from your hand. The bird feeder is just across the bridge, about a quarter of a mile from the parking lot. All you need to do is show up dressed for the weather. We will provide bird seed, a fire, and a warm beverage.
